IRONHEAD FANTASY BASEBALL

WEEKLY ROUNDUP

WEEKLY AWARDS

	TUFFY RHODES AWARD	Most Home Runs
	FnPhillies	17 Homers
	Showing a home run prowess unseen since the demise of the Romanesque reign of the 1991 Detroit Tigers, FnPhillies proved that the steroid era is still very much alive and well. FnFantastic run production, most of which came in one day for FnPhillies via the bat of Albert Poopholes. 17 homers also breaks the single week record held by Pootie, who had 16 in one week last season. -CW,CP,SP-	

	RICKEY AWARD	Most Stolen Bases
	Christ Left Arm	8 Steals
	A lot of good 8 steals will do you CLA when you get smoked like a kitten on a barbecue in every other category. Rickey doesn't appreciate the fact that only 8 steals can win the weekly Rickey Award. Rickey steals 8 bases before most men wake up in the morning. In an unrelated story, Rickey once stole John Olerud's batting helmet and took a shit in it. -CP-	

	SIDD FYNCH AWARD	Most Strikeouts
	Earl's Pearls	65 K's
	Pitching so far this year has been absolutely atrocious. After two weeks, 65 K's is the high-water mark. The two primary contributors for Earl's team this week were Randy Johnson and his illegitimate teenage daughter. Where is the interest in this story? I want to see what this kid looks like. Is she as awkward-looking as her father? Can't someone find her picture on the Internet? Does she hang out with the girl that Kobe raped? How say you Big Unit Girl?!?!?! -CP-	

	3-FINGER AWARD	Lowest ERA
	Snakes on a Plane	1.80 ERA
	Cliff Lee, finally emerging from the shadow of Steve Olin, leads a staff that includes no huge names, but one Duaner. Lets play a game and guess how many of these pitchers use AC/DC or more specifically 'Thunderstruck', to get "pumped up". -CW-

WEEKLY ROUNDUP

WEEKLY AWARDS (continued)

	ROB DEER AWARD	Lowest Batting Average
	Omar for Prez	.199 AVG
<p>Wow. A batting average under .200. Can we call it the "Omar Line" now? One look at the overall record and you quickly realize that batting average is one of oh, say 10, categories that Omar needs to improve on. Also can we officially write off Adrian Beltre as a legitimate fantasy option at this point? I think I'd rather have Adrian Zmed playing 3B. -CP,CW,SP-</p>		

	LIMA TIME! AWARD	Highest ERA
	Christ Left Arm	7.35 ERA
<p>Well, that's what you get for using the Lord's name in vain for your Fantasy Baseball team. If only you had a few more Tomo Ohka's on your team. -CW,SP-</p>		

	TITO'S SUPER GAMEBALL	Best Team Performance
	FnPhillies	7-2 over A Gent Starling
<p>FnPhillies, with his corral of big sluggers, along with his pitching staff of Josh Beckett and the largest fantasy bullpen ever assembled, were no match for A Gent Starling. As this team peaks in Week 2, we'll all watch in glee as Austin Kearns' and Trot Nixon's legs fall off, Morgan Ensberg and Jermaine Dye go into their annual month-long slumps, and Khalil Greene will.....hit like Khalil Greene. But there will always be Poopholes, the jewel on a crown of turds. -SP-</p>		

	JIFFY LUBE TURD IN THE PUNCHBOWL	Worst Team Performance
	Kruse's Bookie	0-8 loss to Earl's Pearls
<p>When all is said and done, we may be looking at one of the worst teams in the modern fantasy baseball era. Not since the dead ball era of the early 1900's has a fantasy team performed so poorly. I equate Kruse's draft faux pas to a time back in 1998, during one of my fantasy basketball drafts, a guy took Dennis Rodman in the second round. Yet times that by however many rounds we had in our entire draft. -CW-</p>

Jimmy Rollins Extends Non-Sequential-Game Hit Streak

April 13, 2006 | Onion Sports

ATLANTA—With his 3-for-4 performance in Monday night's game against the Braves, Phillies shortstop Jimmy Rollins extended his non-sequential-game hit streak to 748 non-consecutive games, the only recorded, and therefore longest, streak of its kind in major-league history. "The key reason my streak has gone on as long as it has is that I'm not just trying to go out there and get a hit in every at bat, or even in every game," Rollins said. "And oftentimes I don't. But you've just got to move on, count the hits you do get, and have confidence that, be it the next game or the next series, eventually another hit will drop in to keep the streak alive." Rollins also pointed out that his consecutive-game hit streak actually stands at 801 if you take the extra ones he got in multi-hit games and distribute them among the games in which he was hitless.
