IRONHEAD FANTASY BASEBALL

WEEKLY ROUNDUP

WEEKLY AWARDS

| | | |
|--|---------------------------|-----------------------|
|  | TUFFY RHODES AWARD | Most Home Runs |
| | FnPhillies | 15 Homers |
| <p>One things for certain at this point. Fn has a team that's built for power. This marks his 3rd Tuffy this season and second in as many weeks. Albert Poopholes is still doing his thing, going yard 3 times. Fn also got help from an unlikely power broker in Tadahito Iguchi, who also hit 3 dingers, doubling his total on the season.</p> | | |

| | | |
|---|-----------------------|--------------------------|
|  | RICKEY AWARD | Most Stolen Bases |
| | Kruse's Bookie | 12 Steals |
| <p>Kruse finally got some value back from Scott Podsednik this week as he stole 6 bases this week, accounting for half of Kruse's season's best 12. Also burning up the basepaths was Casey Blake who stole 3. Yes, that Casey Blake.</p> | | |

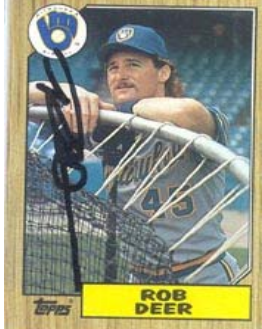

| | | |
|---|-------------------------|------------------------|
|  | SIDD FYNCH AWARD | Most Strikeouts |
| | Earl's Pearl's | 54 K's |
| <p>Earl is sitting comfortably at the top of the standings, and if he gets to the postseason, it'll be on the strength of his pitching. The flamethrowing Pearl's picked up there 4th Sidd Fynch, thanks greatly in part to Scott Kazmir's outstanding week on the mound. In two starts, Kazmir mowed down 19 batters. Chris Capuano also K'd 11 in a two-start week.</p> | | |

| | | |
|--|-----------------------|-------------------|
|  | 3-FINGER AWARD | Lowest ERA |
| | zombie | 2.77 ERA |
| <p>Zombie got help from the Gambler's 5.2 scoreless innings as well as an 8 inning gem from Santana to get his second Shocker of the season.</p> | | |

IRONHEAD FANTASY BASEBALL

WEEKLY ROUNDUP

WEEKLY AWARDS (continued)

| | | | |
|---|--|-----------------------------------|-------------------|
|  | ROB DEER AWARD | Lowest Batting Average | |
| | <table border="1"> <tr> <td style="text-align: center;">Chef Pauly</td> <td style="text-align: center;">.230 AVG</td> </tr> </table> <p>Pauly managed a 7-3 win over Weymouth this week, with no thanks from his hitting. Lance Berkman and Ramon Hernandez both had off-weeks, batting below .200. Meanwhile Jhonny Peralta continues to struggle, hitting only .247 on the year.</p> | | Chef Pauly |
| Chef Pauly | .230 AVG | | |

| | | | |
|--|---|------------------------|----------------------|
|  | LIMA TIME! AWARD | Highest ERA | |
| | <table border="1"> <tr> <td style="text-align: center;">Omar for Prez</td> <td style="text-align: center;">6.42 ERA</td> </tr> </table> <p>With Greg Maddux, the lone bright spot on Omar's staff, blowing up, it may be safe to say that this is one of the worst fantasy rotations in the league. At least it was bad enough this week to rack up a 6.42 ERA and give Omar his first Lima Time of 2006.</p> | | Omar for Prez |
| Omar for Prez | 6.42 ERA | | |

| | | | |
|---|---|----------------------------------|--|
|  | TITO'S SUPER GAMEBALL | Best Team Performance | |
| | <table border="1"> <tr> <td colspan="2" style="text-align: center;">Chet Steadman & A Gent Starling</td> </tr> </table> <p>This week we have a tie for the Gameball. Chet Steadman bounced back from a rough Week 6 to post a convincing 9-1 win over Team 3LD, who has been in a free-fall for the last 4 weeks. Starling's team showed some actual signs of life this week and gave him hope that maybe they can be competitive, or at least get themselves in the running for the consolation playoffs.</p> | | Chet Steadman & A Gent Starling |
| Chet Steadman & A Gent Starling | | | |

| | | | |
|---|--|-----------------------------------|----------------------|
|  | JIFFY LUBE TURD IN THE PUNCHBOWL | Worst Team Performance | |
| | <table border="1"> <tr> <td style="text-align: center;">Omar for Prez</td> <td style="text-align: center;">1-8 loss to Stabbing Johnny-D</td> </tr> </table> <p>Have we finally seen rock bottom for Omar? With his hitting greatly underachieving, Omar now has seen any semblance of decent pitching sneak out the back door as well. 29 games out through 7 weeks, 10 games behind the guy in 19th. The wheels have come off as Omar has become the fantasy equivalent of this year's Cubs.</p> | | Omar for Prez |
| Omar for Prez | 1-8 loss to Stabbing Johnny-D | | |
